MR. W. O. M'CLUSKY'S ADDRESS

Will be the Principal Feature at the Peninsular Cemetery in the Afternoon-Rev. R. R. Bigger to Make an Address at the Mt Zion Cemetery in the Morning-The Public Will Observe the day as a Holiday - Many Picnics, Ontings and Other Amusements Arranged.

Decoration Day-the occasion when the surviving Union veterans annually pay homage to their dead comrades-is at hand, and it will find its usual observances in Wheeling and the neighboring communities. The two local G. A. R. posts and those of the near-by towns have all arranged to deccrate the graves of deceased brothers-in-arms and at each cemetery there will be addresses by well known speakers, in which the beautiful sentiments that are associated with the day will find cloquent expression. Prominent among the speeches of the day here will be the address by Mr. W. O. McCluskey at the Peninsular cemetery at 2 o'clock in the afternoon. Another prominent speaker is Rev. R. R. Bigger, who will make the principal address at Mt. Zion cemetery in the morning.

Although the Grand Army boys have always discouraged such a tendency, it is nevertheless a fact that the general public has another conception of the meaning of Decoration Day-with it it means a holiday-and to-day there is an unusually large number of picnics and outlings arranged, which will draw the people, released for the day from the cares of business life. Among these outings are those of the Knights of St. George at the state fair grounds and the North End Literary Society at Mozart Park. There will also be a Decoration Day outing at Wheeling Park and another at Pleasant Valley Park together with innumerable smaller affairs.

Many of the business houses will be closed throughout the day, and the retail establishments will close at noon Some of the manufacturing establish ments will close at noon, but others will not observe the holiday on account of the rush of orders. The banks and city and county building offices are closed for the day, and hollday hours will be observed at the postoffice.

Mrs. L. A. Johnston, 103 Pilham and Ripley Sts., Montgomery, Ala., tells her experience with catarrh of the stomach and how she was cured:

"I will state to you that I have taken eight bottles of your Perunna and two of Man-a-lin and rejoice to say, God bless Dr. Hartman and Pe-ru-na And I earnestly assure you that it has done me more good than any medicine I have ever taken in my life. I prescribe it to every one I meet who is suffering, as the best medicine in the world, and have made many converts who are now rejoicing in the great good which they have derived from the same. I can tell you that I am almost entirely relieved of indigestion, that great foe which has tortured me so many years, and can now eat anything I desire without it is fruits or something acid."

To understand the scientific action of Pe-ru-na it is best to have Dr. Hartman's special book for women or his book on chronic catarrh. These books are mailed free by the Pe-ru-na Medicine Company, Columbus, O. All druggists sell Pe-ru-na.

At the grounds there will be amusements galore, and preparations are
making to accommodate a very large
crowd. There will be three tent shows,
all of them of high quality, the amusements committee having spent much
time in arranging this feature.

In one of the tents there will be a
most interesting exhibition of relies of
the Spanish-American war, collected
and exhibited by Emil Schmidt, of this
city, until recently a non-commissioned
officer in the regular army, and who
fought at Santlago. This feature alone
"is worth the pilee."

In Tent No. 3 will be seen a first class
vaudeville performance, on the continuous plan. Don St. John. champion

TOMBSTONES FOR VETERANS

Who Have Died During the Last Year to be Secured.
Adjutant Joseph A. Arkle, of Steph-

ens post, G. A. R., is looking up data with the view of getting from the government tombstones for nine veterans, most of whom have died during the year. The government furnishes a a tombstone free and pays the freight to the nearest railroad station for a dead soldier, but requires that the name of the deceased be given, together with the company and regiment he served in. In many cases interested parties have experienced considerable difficulty in trying to ascertain the name of the company and regiment from the relatives of the deceased who evidently never gave a thought to these matters. The two Wheeling G. A. R. posts, J. W. Holliday and E. W. Stephens, look after the dead soldiers of the war of the rebellion, Stephens poet's territory in the city being all that south of the creek. Mr. Arkle for some years has spent no little energy in trying to get the company and regiments in which served John F. Stentzel and another man named Armstrong, who are burled in Mount Zion cemetery. He wants their graves sultably marked as well as several others, but the difficulty in securing the necessary data is surprising. Few women, wives or sisters of living veterans of the civil war included, can designate the company or regiment, and where there are no papers to shed the information desired, it can be seen what difficulty the G. A. R. posts encounter in getting the tombstones. tives of the deceased who evidently

A Hard Rain.

The hardest rain storm of the year visited Wheeling yesterday afternoon. The rain began to pour down at 2:30 o'clock and continued with the exception of brief intervals for nearly two hours, during which time the rainfall aggregated one and one-half inches. The storm was accompanied by hall, and the lightning played pranks, with telephones in some localities and struck a number of trees. The streets were flooded in the business section with debris from the hillsides, the water coming down streets running to the river with a rush, and several sewers were temporarily choked.
